

Ryan S. Brill

ryansbrill.com | ryguy123@sas.upenn.edu

Education

University of Pennsylvania

Aug 2020 – Present

Applied Mathematics and Computational Science, Ph.D.

Expected May 2025 | Philadelphia, PA

- Benjamin Franklin Fellowship. 4.0 gpa.
- Statistics, Probability, Modelling, Bayesian Statistics, Statistical Prediction, Sports Analytics

University of California, Berkeley

Aug 2016 – May 2020

Mathematics and Statistics B.A., Computer Science Minor

Berkeley, CA

- Regents' and Chancellor's Scholarship: awarded to top 2% of applicants.

Experience

Research

- Currently working on several research projects with Wharton statistics professor Abraham Wyner
- Penn Sports Analytics Reading Group | *Philadelphia, PA. Mar. 2021 – Present*
 - The group meets each week to read papers or discuss research in sports analytics.
- CRM-PIMS Summer School in Probability | *Montreal, Canada. May 2021 – June. 2021*
 - “PDEs and Mean-Field Disordered Systems” & “Optimization in Random Discrete Systems”
- Undergraduate Honors Thesis | *Berkeley, CA. Sept. 2020 – Dec. 2020*
 - “Graph Neural Network as a Branching Heuristic in Solving Quantified Boolean Formulas.”
- Research in Industrial Projects for Students | *Singapore, Singapore. June 2019 – Aug. 2019*
 - “Exploring a Type Theoretic Environment in Python.” Presented at JMM 2020 in Denver, CO.

Teaching

- TA for Math 314 Advanced Linear Algebra | *University of Pennsylvania, Fall 2021*
- TA for Wharton Moneyball Academy | *University of Pennsylvania, Summer 2021*

Industry

- Stout, LLC. | Complex Securities Valuation intern | *Los Angeles, CA., June 2018 – Aug 2018*

Projects

- Atme | Creator | *Berkeley, CA. Jan. 2020 – Apr. 2021*
 - Created the iOS app “atme”, which is Instagram with a twist: your atme profile consists of what your friends post to you, not of what you post for yourself.
- Bet, Sweat, and Forget Podcast | Co-Creator | *Berkeley, CA. Sept. 2019 – Present*
 - Each week during the NFL season, Ryan Brill and Nick Miller make \$50 worth of NFL bets, competing to have the highest profit by season's end. Check us out on Apple and Spotify.
- Calhat Enterprises | Co-Creator | *Berkeley, CA. Aug 2016 – Jan 2018*
 - Created “calhat”, a hat brand marketed to college students; manufactured thousands of hats from China through Alibaba, led guerilla marketing/branding campaign, and expanded to 5 universities

Skills and Interests

- *Coding:* R, Python, Latex, Swift, Java, C, Excel, Ableton, FL Studio, Photoshop, Premiere Pro
- *Interests:* Sports, Betting, Poker, Music, Traveling, Nature, Mountain Biking
